PRINTABLE DRIVING LOG

Arizona Driving Log Sheet

Required in Arizona: 30 hours of supervised driving, including 10 at night.

HOURS GOAL	AT NIGHT
30	10

Before you start

This sheet helps you keep track. Arizona requires a signed written certification of your hours. Copy your totals onto it. The itemized log itself isn't handed in, but keep it: it's the record behind that signature.

Driver education can change the hours required in Arizona; the state page has the details.
