PRINTABLE DRIVING LOG

# Florida Driving Log Sheet

Required in Florida: 50 hours of supervised driving, including 10 at night.

| HOURS GOAL | AT NIGHT |
|---|---|
| 50 | 10 |

**Before you start**

This sheet helps you keep track. Florida requires the Certification of Driving Experience of a Minor (HSMV 71143), signed in front of a notary, to certify your hours. Copy your totals onto it. The itemized log itself isn't handed in, but keep it: it's the record behind that signature.
